The military installations in Fuerstenwalde were cordoned off. 19 June, the sentries and patrols in the streets had been reduced to about half their strength. On 25 June, martial law was lifted. Prior to 3 July, the barracks installation on Gartenstrasse was occupied by about 1,200 troops wearing red-bordered black epaulets with tank, signal and motor transport insignia. Prior to 7 July, source did not observe any training in the installation or the training area. At about 7 p.m. on 22 June, 10 trucks carrying billeting equipment entered the installation. 25 June, a motorized unit entered the installation. The noise of motor vehicles was heard for several hours. Between 10 a.m. and 11 a.m. on 8 July, source, for the first time after the distrubances, determined training soldiers at the large drill grounds. About 200 soldiers, organized	25X
